RE: Exploration of ML's 37138, 37139

You may proceed with operations on the above numbered leases as outlined in your notification dated 6-3-82, on the condition of the following:

1. All other parties having a legal interest in the lands are first notified to resolve problems of access or land use conflict.
2. The Division of Oil, Gas and Mining is first notified in compliance with the Utah Mineral Land Reclamation Act.
3. Compliance with the State of Utah Antiquities Act, forbidding disturbance of archaeological, historical, or paleontological remains and immediate suspension of operations and notification of the Division of State History and the Division of State Lands in the event such remains are encountered.
4. Compliance with all other State laws, regulations, and lease terms governing your activity, including site reclamation to the satisfaction of the Division of State Lands.
5. The Division of State Lands is notified no later than 30 days after reclamation is complete.
6. A \$5,000 bond is posted with the Utah Division of State Lands prior to the commencement of operations. This may be a surety bond using the enclosed Bond of Lessee form, or an automatically renewable time C. D., or federally insured money market certificate having a maturity date of no greater than 12 months and purchased in the name of "Utah Division of State Lands and Forestry or Geokinetics, Inc., c/o 391 Chipeta Way D-2, Salt Lake City, UT 84108." Such certificate must be deposited with this office.

X Environmental Coordinating Committee (ECC) review not required.
